## *The MindSnack Corner*

**"Wherever You Want to Go, You Can Get There From Here!"**

In today's 'MindSnack' I would like to briefly focus on the reality that this year may have already dished out a disappointing hand, and perhaps you are ready to give up on your dreams or goals. Here is the reality, though, you were born to be great, and in spite of the opposition, in spite of the people trying to reshape you for their purpose, you can still make it. It is imperative to realize that opportunity often shows up dressed in overalls and hard work. Get in there, take advantage of the fact that you are supposed to be here. You aren't just some substitute who is taking the place of someone else who didn't show up. You are AMAZING in every way! You are FEARFULLY and WONDERFULLY made. Don't let disappointment disengage you from your destiny! Smile. The world is expecting you!

*This MindSnack has been brought to you by Joseph Bradley*
