Healthy Living

Taking deep breaths, more often, will help to reduce stress, increase energy and lead to better digestion, and ultimately increase your overall health. *

Quick & Easy Financial Tip

Start Saving: If you dine out for lunch, you aren't alone. 66% of U.S. workers dine out, spending an avg. of \$37/wk. That's a daily avg. of \$7.40/day, by eliminating one meal/wk, you could save \$29.60/mo. Imagine how much you could save if you took leftovers for lunch, instead of tossing them away. \$37/wk X 4 weeks = \$148/mo. (\$185 if there are 5 weeks in the month.)

Thank You

My family, and I, wish to express our sincere thanks, and appreciation, for the heartfelt words of comfort, lovely floral arrangements, telephone calls, monetary gifts and for the support you showed for us during our time of bereavement. I appreciate, and love you all. You have made a profound impact on my life.

The MindSnack Corner

"The Power & Benefit of Acting As If!"

Have you ever had an amazing idea that you wanted to put into action, but didn't because you believed you weren't ready, or didn't have the necessary resources or skills? That is common, but there are some people, who seem to be incredible at everything they do. They seem to take risks, and succeed effortlessly! What is it about these people? Why is it that they seem to have the Midas touch? In this week's 'MindSnack' we will discuss just that. In fact, I will show you how the only difference between the people who take action, and those who wait, is their mindset. There is an age old principle called the 'As If' principle. Basically, if you act as if something already is, then it becomes that very thing. Charles Kettering said, "If you believe, and act, as if it were impossible to fail, then you will undoubtedly experience success." William James said, "Act as if what you are doing matters because it does." The **As If** principle is a faith based practice. It is operating as if what we are aiming at is already true. Solomon, in Prov 23:7 says, "As a man thinketh in his heart, so is he." We have quoted this saying so many times, but we often fail to willfully put it into practice in our own lives. Most of the time, it's because we don't truly believe it works. Here is the reality, though, whatever we think about most of the time is what we eventually become. Often, we are busy having faith, and acting **AS IF we cannot succeed...we cannot lose weight...we don't matter to anyone else...we can't finish school...we aren't good enough to win...etc..** As a result, all of these thoughts become our reality! You see, we don't have to believe in the AS IF principle for it to work for us. It is going to work ANYWAY! It is as certain as the law of gravity. It doesn't matter who throws the ball up in the air, how smart they are, how much education they have, or lack, the law of gravity kicks in, and the ball comes right back down to the ground! Act as if you ALREADY have what you are looking for, and you will soon possess it! Believe AND ACT as if failure is IMPOSSIBLE, and IT WILL BE!
